

LEGACY NURSE MENTOR

ROLE OPPORTUNITY

- Are you an experienced Practice Nurse in the later stages of your Career?
- Do you want a rewarding opportunity that makes the most of your experience?
- Do you want to inspire the next generation of the health and social care workforce?

THE LEGACY NURSE MENTOR ROLE COULD BE FOR YOU!

- We're looking to recruit Legacy Nurse Mentors across Humber and North Yorkshire.
- Posts could be for one day per week or half a day per week depending on interested candidates.
- Successful applicants would remain employed by their practice and be released for the relevant weekly session. Backfill funding is available to remunerate for time in the role.

WHAT IS A LEGACY MENTOR, AND HOW DOES IT WORK?

The Legacy Mentor will:

- be independent from the mentees Practice and PCN - This will allow for open and honest conversations.
- be available to arrange weekly sessions with their allocated mentees for one year.
- link with the mentee, Practice Manager, Nurse Lead and/or education lead within the practice. This will ensure everyone involved can work towards the same objectives.
- support with clinical observation to offer guidance and help to build confidence.
- be matched with mentees based on location, but they will never be placed in their own practice.
- share their wealth of knowledge and experience with the mentees.
- work with the mentees to agree individual and practice objectives, observe clinical sessions, build confidence and competence, and provide wellbeing support to the mentees.
