

# Building the Future of Primary Care

Conference 26<sup>th</sup> September 2023

5 Minute Talks Topic: Primary Care School

From Speaker: Kim Palmer

A small mixed group attended the tabletop discussion after the 5-minute presentation.

Discussion Points:

## 'Changing Perspectives'

The Year 2 VTS cohort Inspired the topic – Changeover of staff.

What's next? Encouraged by the SABA reduction.

Challenging GPs not on board – Traditional cultural blocks

Already having success with patients & improving non-compliance.

Targeting small sample size & using negotiating/communication skills to gain engagement.

Receptive to the Data.
