

Calderdale Framework Foundation Day

Thursday 6th March

Health House, Grange Park Lane, Willerby, HU10 6DT

A chance to try out the seven stages and consider how this workforce tool can benefit your team or service.

The Calderdale Framework provides a clear and systematic method of reviewing skill mix and roles within any team or service, to ensure quality and safety for service users and job satisfaction for staff.

It is wholly transferable to any health and social care setting and ensures service user focuses development of new roles and/or new ways of working leading to improved efficiency in the utilisation of roles.

The Foundation Day will provide you with an understanding of the 7-step approach and provide you with the opportunity to consider how it might work for you.

The Foundation Day is **FREE** and is a perfect opportunity to hear more about the Calderdale Framework and consider whether training to be a facilitator is your next step.

To book a place please contact
helen.yewdall@nhs.net

Engaging staff in the reshaping of our health and social care workforce to meet emerging challenges.

.....

The right person, doing the right thing, at the right time, in the right way.

.....

Shaping services around service user's needs.

.....

Facilitating, recruitment and retention through clear and explicit development pathways

.....
