

GatewayC - Our offer

- We are fully funded by NHS England and **meet the latest NICE NG12 guidance**.
- We are proud to be based out of **The Christie** NHS Foundation Trust in Manchester, Europe's largest single site cancer centre.
- Our resources are suitable for **everyone working and training in primary care**, clinical or non-clinical.
- We are **led by our dedicated GP leads and cancer specialists** across England, Scotland and Wales.
- You can easily **earn CPD points** with our podcasts, short videos and courses.
- You can then easily **link these to your appraisal** platform (Clarity + Fourteen Fish).
- We are **completely FREE** for primary care professionals.
- Learn at a **time that suits you** as we're available 24/7.
