# Praktiki

[prak'tiki]: Greek verb 'to practice'

Stay up-to-date and earn CPD in just 5 minutes a day

Praktiki's case-based microlearning and podcasts reinforce knowledge and strengthen clinical decision-making.

- Only 5 minutes per module – fits perfectly around busy schedules
- Automatic CPD tracking – download or sync with 14Fish
- Trusted by over 2000 GPs – more joining every week
- Free for UK clinicians – core content will always be free

*“Learning based on real world scenarios is much more engaging...Bite sized sessions make it easier to fit learning into a busy day.” Dr James Papworth*
