## Registration now

## OPEN

For GPs, Allied Health Professionals, Clinical Directors, PCN Directors, Practice Managers, Lead Practice Nurses, Care Coordinators, Social Prescribers and wider neighbourhood health teams.

Join us for a powerful one-day conference focused on reducing health inequalities and strengthening neighbourhood health across primary care.

This event will provide you with fresh perspectives and renewed purpose to advance equity in your community.

Hear from inspiring speakers, engage in thought-provoking discussions, and gain practical tools to deliver fairer, more compassionate care.

Understanding the scale of the challenge

Inclusive Healthcare reaching those hidden in plain sight

Practical Solutions making a difference where you work

We have invited policymakers, NHS strategic leaders, and both local and national experts, guided by the Core20PLUS approach, to collaboratively address health inequalities.
