

NHSE WTE Primary Care Directorate (YH) Intending GP trainers and Multiprofessional Supervisor Pathway

This is a fully funded virtual one-and-a-half/two-day multi-professional course which provides the background knowledge and skills required to be an effective educational supervisor.

This course is intended for clinicians in the Yorkshire and Humber region working in primary and community care environments from the wider workforce professions including First Contact Practitioners / ACP / GP trainees / NMP / Pre and post grad nurses and AHPs. GPs who wish to become GP Trainers/Clinical Supervisors

The aims of the course are:

- To know how to ensure safe and affective patient care through training
- To establish and maintain an environment for learning
- To be able to teach and facilitate learning
- To appreciate how to enhance learning via assessment
- To support and monitor educational progress
- To be able to guide personal and professional development
- To support CPD as an educator
