

# NHSE WTE Primary Care Directorate (YH) Introduction to Restorative Supervision Skills

This is a fully funded virtual half day introductory course that will equip attendees with basic skills and knowledge to undertake restorative supervision in the workplace.

This course is intended for clinicians and non-clinicians in the Yorkshire and Humber region working in primary and community care environments from the wider workforce professions and GPs who wish to explore how to support their staff better. It is aimed at those individuals in General Practice who would like some fundamentals around the elements of restorative supervision.

**The aims of the course are:**

- Increase knowledge and understanding of restorative supervision
- To be able to describe the structure of a restorative supervision session
- To develop reflective interpersonal and supervisory skills
- To appreciate how to enhance learning via assessment
- To support and monitor educational progress
- To be able to guide personal and professional development
- To support CPD as an educator

To book onto the course, you will need to register for an account on Maxcourse
