

## Innovate, Implement, Impact: Advancing Practice for the Future

Join our **North East And Yorkshire regional conference for Advanced Practice professionals**; designed to inform, challenge, and inspire those shaping the future of Advanced Practice.

We will explore practical implementation and governance of AP roles, effective supervision, career progression to consultant level, clinical workplace research, and measuring impact to drive meaningful change.

### **Who is this event for?**

Advanced Practice professionals, including: qualified, trainees and consultant-level practitioners, employers, and programme leads.

**Tuesday 24th March 2026**

**09:30 – 16:00**

**Park Plaza, Boar Lane, City Square,  
Leeds, LS1 5NS**
