

# NHSE WTE Primary Care Directorate (YH) Practice Supervisor/Assessor Update

This is a fully funded virtual half day introductory course that aims to provide an update for all supervisors and assessors in practice. A recap of different supervision approaches, educational theories and work-based assessment (WBAs) will be covered. The opportunity to discuss challenges around learners not progressing and those with additional needs will be provided.

This course is intended for clinicians and non-clinicians in the Yorkshire and Humber region working in primary and community care environments from the wider workforce professions and GPs who wish to explore how to support their staff better. It is aimed at those individuals in General Practice who are currently delivering supervision or those who are returning to a supervisor role.

The aims of the course are:

- To recap on the theoretical approaches to supervision and assessment in practice
- To understand the roles and responsibilities of an educational supervisor/assessor
- To provide practical solutions to supporting the supervision needs of all learners

To book onto the course, you will need to register for an account on Maxcourse
