

South Yorkshire Children & Young People's Alliance

Fairer Health for Children & Young People in South Yorkshire Conference

This conference brings people together from across health, including primary and secondary care, local authorities, academia, and the voluntary sector to spark ideas, share learning, and drive meaningful change

Together, we will explore the issues, learn from what is working well, and identify practical actions to create a more inclusive, accessible, and fairer system for all children and young people

Friday 16th October 2026

**Crowne Plaza Royal
Victoria Sheffield**

Free to attend
